Dear Friends of Sonrisas,

We want to thank you for being a friend of Sonrisas Trails! Sonrisas Trails Therapeutic Riding is a non-profit 501(c)(3) organization in the Concho Valley that provides therapeutic horseback riding to those with physical, mental and emotional challenges through a carefully structured program of equine activities. Each year we serve over 150 special needs children and adults. Without the support from our donors, grants and fundraisers we would not be able to offer these services to those who need our help the most. Being in rural West Texas, Sonrisas Trails is oftentimes the most consistent and most effective therapy that many of our riders have available. Your generosity is what allows us to fulfill our mission to help these children and adults.

We are also embarking on a much needed and highly anticipated Veteran's Riding Program that will commence in September. This will be a carefully designed program for veterans partnering with horses and veteran volunteers. The goal of this program is to improve the lives of servicemen and women who have suffered injury in the line of duty, helping them adjust physically and emotionally to their post-war lives. The cost of veterans and service members to participate in Sonrisas Trails Veteran Program is 100% covered through fundraising efforts and grants

Our 3rd Annual Claybird Shoot will be held September 24, 2016, at the San Angelo Claybird Association. We are asking for your support for this key fundraising event. There are various underwriting levels in this pamphlet and sponsorships are still available. Every dollar raised from this event will be applied to support our daily therapeutic riding classes and to maintain and improve our horse herd and program. Sonrisas Trails is proud to say that our administrative costs are less than 10% of our entire budget.

Please accept our sincerest thanks for considering participating in and donating to the Sonrisas Trails 3rd Annual Claybird Shoot. Your investment in us ensures that those we serve receive the highest quality horseback riding therapy possible. None of this is possible without the thoughtful and generous hearts that have helped Sonrisas Trails along the way. Walk on!

With Sincere Thanks,
