

Sonrisas Trails & You ~

[View this email in your browser](#)

Improving lives one ride at a time...

Sonrisas Trails Therapeutic Riding provides therapeutic horseback riding to over 150 children and adults with special needs. Your generosity and involvement is what allows us to fulfill our mission to provide a carefully structured program of equine activities to those who need our help the most. None of this is possible without your financial and volunteer support. ***Because of your faith in Sonrisas Trails, we are embarking on a much needed and highly anticipated Veterans Riding Program commencing this fall. The goal of this program is to improve the lives of military veteran's who have suffered injury in the line of duty. It is our honor and duty to help them adjust to their post-war lives. 100% of this program is covered by fundraising efforts and donations.*** Your donation to Sonrisas Trails ensures that those we serve receive the highest quality horseback riding therapy possible. We sincerely appreciate your time and generosity. Every dollar and every minute spent with these precious individuals means a great deal to us...but it means the world to them.
